_____

NOTE: Both doctor and patient are encouraged to discuss any and all relevant patient health issues prior to treatment.

I certify that I have read and understand the above and that the information given on this form is accurate. I understand the importance of a truthful health history and that my dentist and his/her staff will rely on this information for treating me. I acknowledge that my questions, if any, about inquiries set forth above have been answered to my satisfaction. I will not hold my dentist, or any other member of his/her staff, responsible for any action they take or do not take because of errors or omissions that I may have made in the completion of this form.

Your insurance policy is a contract between you and your insurance company. Some, and perhaps all, of the services provided may be non-covered services. Your insurance company will determine what benefits are payable once a claim has been submitted. Any co-payment collected from you at the time of service is an estimate of your financial responsibility. You are ultimately responsible for the bill in its entirety. You are required to know the rules and regulations of your insurance carrier and obtain any required referrals or documentation in accordance with those rules. If insurance coverage is not available, payment in full is expected at the time of service. You will be responsible for all collection costs, attorney fees, and court costs. A parent or guardian must accompany anyone 17 or under and will be financially responsible for their account. In the event the parents are divorced, the parent accompanying the minor is financially responsible, regardless of the divorce decree. Settlement must be resolved between parents. Those 18 or older are responsible for their own bill. This signature on file is my acknowledgment that I have read the above policy. I authorize the release of information necessary to process my claim, I hereby authorize payment to this doctor named of the benefits otherwise payable to me.
